Children in Bujaru saying “thank you” for sharing with us this Christmas!

Because of your support Hope Ministries was able to give 60 children in Bujaru the only Christmas gift they will receive this year. Most of these children come from extremely difficult family situations and their happiest time of the week is coming to the children’s church service each Saturday in Bujaru. This past Saturday was a special children’s Christmas service with games, traditional Brazilian Christmas cake and a gift for each child.

Jesus came to earth – 2000 years ago. He came to give us life, to take away our sin and guilt, to give us hope, to give us purpose. He came to heal us body and soul. He came to give us peace and joy – to teach us what real love is. He came to take us into His family, to give us a place with Him and His Father, forever. What more could we ever need?

Today we live to share His love. We live to serve and to give, as He gave to us. To give to those who don’t deserve it– to share with those who don’t have a chance. To love those who aren’t always loving, to bring a people into His family to share eternity with Him.

Thank you for your giving this Christmas that enables us to share God’s greatest gift of all, **Jesus!**

May your Christmas be blessed-

Love,
Scott and Michelle Toth and family
