

“He came into the world...”

John 1:10

At this very special time of year, we celebrate that Jesus came. He came bringing hope, He came bringing life, He came bringing joy, He came bringing His answer to our every need.

We have asked many of you to pray for our son in law, Marcos Nogueira, Rachel's husband. A month ago he started having extremely severe attacks of trigeminal neuralgia (considered by doctors to be the worst pain that anyone can experience). Marcos has spent most of this last month in the hospital with Rachel at his side. He was scheduled twice for gamma knife surgery but because of lack of medical supplies here in Brazil, the surgery was cancelled. There was a turning point 10 days ago when after much prayer and intercession, God touched Marcos with his healing power.

Today (December 26) was also a day of great answered prayer in that Marcos came home. He is pain free now but is on very strong medication for the neuralgia and still needs 24 hour care. Rachel is caring for him at their home. Their little son David, has been with us this last month and will stay with us until Marcos is well enough that Rachel can take care of David at their home. Please pray with us for a complete recovery, for Marcos to regain his strength, for him to be able to care for his family and return to work.

We trust that each of you had a very blessed Christmas. Even though we go through difficulties, **“the Light shines on in the darkness, for the darkness has never overpowered it.”** God's light continues to shine on through the ministry here as we bring His message of eternal life to the people of the Amazon basin. Thank you so much for helping us bring this message to those who are still waiting to hear!

Love,
Scott and Michelle Toth and family
